## Your Role

The acquisition of conventionally-armed, nuclear-powered submarines is an historic and transformative endeavour for Australia. The whole-of-nation effort to safely and securely deliver the cutting edge nuclear-powered submarine program will transform Australia's economic and national security landscape for decades to come.

This role will include the following:

- Provide program management support and coordinate administrative activities to ensure the effective delivery of program outcomes.
- Lead the development, implementation and maintenance of program plans, governance processes and reporting mechanisms in accordance with agreed procedures and performance standards.
- Apply project management methodologies and frameworks to support the delivery of administrative and technical work activities.
- Research, analyse and prepare briefs, complex correspondence, reports and submissions for executive and committee consideration.
- Work collaboratively with team members, contribute to a positive team culture and provide constructive feedback to support continuous improvement.
- Build and maintain productive relationships with internal and external stakeholders, understanding and responding to their expectations and concerns.
- Monitor and adapt project management approaches to ensure compliance with relevant legislative, policy and regulatory requirements.
- Identify, analyse and resolve complex issues, using sound judgement and initiative to develop and implement practical solutions.

## Our Ideal Candidate

We are a dynamic organization seeking employees who are agile, innovative and energised by high-paced work. We are seeking highly motivated and collaborative minded people who will have the opportunity to contribute to a once in a lifetime program.

Our ideal candidates will bring the following attributes and skills to the role:

- Demonstrated experience providing program support, governance coordination and administrative services in a complex environment.
  - Sound ability to develop and maintain program processes, planning activities and governance frameworks that support effective delivery.
  - Strongly developed written communication skills, including the preparation of briefs, reports, submissions and correspondence for senior stakeholders.
  - Sound analytical and problem-solving skills, with the ability to exercise judgement, manage risks and identify practical solutions.
  - Effectively demonstrated stakeholder engagement skills, with the ability to build productive relationships and respond to diverse stakeholder needs.
  - Experience applying project management principles and supporting delivery across multiple work streams.
- 

- 
- A collaborative and proactive approach, with a commitment to quality, continuous improvement and positive team outcomes.

## Our Organisation

The Australian Submarine Agency was established on 1 July 2023 and is responsible and accountable for the management and oversight of Australia's nuclear-powered submarine program.

Australia's acquisition of conventionally-armed, nuclear-powered submarines through the AUKUS partnership will be critical to ensuring our Defence Force has the capabilities needed to keep Australians safe.

The Australian Submarine Agency operates under the Defence portfolio and maintains strong linkages with the Department of Defence. Our workforce comprises a mixture of Australian Public Servants, Australian Defence Force members and contractors.

At the Australian Submarine Agency, you will enjoy experiences and opportunities that, as an APS employee, you simply would not get in any other organisation. You are able to undertake interesting, challenging and unique work. This ranges from intelligence and strategic policy right through to human resources, communications, infrastructure and engineering, and information technology.

As part of the Australian Submarine Agency you will be working at the cutting edge of capability delivery, supported by professionalisation pathways so you can continue to develop, along with unique and varied career opportunities.

Our people are capable, committed and diverse. We support an inclusive culture that emphasises respect and collaboration and prioritises safety and security. Our greatest asset is our people.

We offer flexible working arrangements and a range of formal and informal professional development opportunities.

## Nuclear Mindset

The Australian Nuclear Mindset is a set of shared qualities and attitudes that shape the way we think, act and learn. It reflects our dedication to excellence and an unwavering commitment to safety, security and safeguards of the nuclear propulsion technology.

Management and operation of nuclear-propulsion technology requires exceptionally high standards, an absolute focus on safety to avoid incidents and commitment to security to avoid its misuse. Australia's acquisition of conventionally-armed, nuclear-powered submarines will require the attainment of a nuclear mindset for the safe, secure and effective cradle-to-grave management of this capability.

The nuclear mindset is the foundation for every action, decision, policy and behaviour to ensure we keep our communities, personnel and environment safe and secure. The adoption of a nuclear mindset demands precision, excellence, attention to detail and an inherent curiosity, and each member is responsible and accountable for exhibiting and ensuring the appropriate mindset thrives.

## Our Team

The Engineering & Technology Program Engineering Branch / Project Management Office integrates and coordinates the Technical Capability Program planning, scope, schedule, cost, risk and performance, governance and reporting and provides support and assurance to branch procurement, contracting and projects. The Project Management Office is structured in teams focused on - Program Planning and Integration, Program Controls, Budget Performance, and Procurement & Contracts

## Remuneration and Relocation Assistance

The remuneration package includes superannuation, and, where applicable, relocation expenses.

The Australian Submarine Agency provides relocation assistance to eligible APS employees required to relocate. The level of assistance will vary depending on the reason for relocating and your personal circumstances. For more information, please [download the APS Relocation Assistance Handbook](#).

## Our Work Environment

As the range and nature of work within the Australian Submarine Agency is so diverse, so are the different work environments that our employees are located in.

The workplace environment requirements for this role include;

- Computer use
- Sitting at desk
- Screen base work
- Attending offsite meetings; involving potential local and overseas travel

## Office Arrangement

The Australian Submarine Agency is committed to assisting its employees with flexible office arrangements. This position offers a Flexible working arrangement.

## Desirable Qualifications, Experience or Training

- Program/Project Management or Business Management Qualifications
- Knowledge of program governance and project management practices
- Experience within a project or program environment, preferably within an area of Government or Defence.

## The Selection Process

The Australian Submarine Agency uses a range of assessment processes to assist in selecting suitable applicants. We uphold the [APS Merit Principle](#) and our processes are designed to select the best available person for the job.

|                       |                                                                                                                                                                                   |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Submission</b>     | Complete and submit your resume, referee details and statement of claims as per the written response requested.                                                                   |
| <b>Shortlisting</b>   | We will assess your written application using the <a href="#">Work level Standards</a> and the attributes and skills contained in the “Our Ideal Candidate” section above.        |
| <b>Interview</b>      | If your application is found successful at shortlisting, you will be invited to an interview either in person or virtually.                                                       |
| <b>Referees</b>       | <b>We will initially contact your referee/s electronically to help us determine if you are suitable for the role/s. Follow up calls to your referee may occur where required.</b> |
| <b>End of Process</b> | When the process is finalised, we will let you know the outcome via email.                                                                                                        |

## How To Apply

Apply for this role by submitting your application through our [online recruitment system \(eRecruit\)](#) located at ASA APS Careers. If you have any questions regarding this role, email the contact officer.

For more information please refer to the [Applicant User Guide](#). Further advice on addressing selection criteria can be found in ‘[Cracking the Code](#)’ publication located on the Australian Public Service Commission website.

Vacancies will be extended **in exceptional circumstances only**. Applicants requesting an extension must contact the Contact Officer **24 hours prior** to the vacancy closing date.

In your application you should provide a copy of your current Resume/CV and address the following:

## Assessment Criteria

**An explanation of how your skills, knowledge and experience will be relevant to this role (limit your total response to 600 words).**

## RecruitAbility

[RecruitAbility](#) applies to this role. If you choose to apply under RecruitAbility, you will need to:

- Declare you are living with disability
- Meet the minimum requirements for the position.

When you apply for a role in the Australian Submarine Agency’s [online recruitment system](#) you must first identify that you have a disability, which will give you the option to ‘opt into’ the Scheme.

You must tick the ‘opt in’ box to participate, as just declaring you have a disability will not automatically include you. If you have been assessed as meeting the minimum requirements of the job, your application will be progressed to the next stage of the selection process.

As your application progresses, you can speak with the contact Advisor about reasonable adjustments for any stage of the assessment process.

## Merit Pool

This recruitment process is being used to fill immediate and anticipated vacancies. A merit pool of suitable candidates will be created. Those found suitable will be advised that they have been placed in the pool. This is not an offer of employment and not all candidates selected for inclusion in the merit pool may ultimately receive an offer of employment.

The merit pool is valid for 18 months from the date the vacancy was advertised in the Public Service Gazette. The merit pool may be used to fill similar positions in the event positions become vacant.

**PLEASE NOTE:** ASA APS Careers is for job seekers only. We do not accept unsolicited resumes or applications from recruitment agencies and/or search firms and will not pay fees to any such organisations unless arranged with the provider prior to advertising the vacancy.

## Eligibility

Employment with the Australian Submarine Agency is subject to conditions prescribed within the Public Service Act 1999.

**Citizenship** – To be eligible for employment within the Australian Submarine Agency, applicants must be an Australian citizen. Only in exceptional circumstances can this requirement be waived.

**Organisational Suitability** - Due to the sensitive work undertaken by the Australian Submarine Agency, there may be the requirement to undertake additional suitability screening or assessments.

**Security Clearance** – The Australian community requires the highest level of integrity from public servants. The preferred applicant will be required to successfully undergo the [security clearance](#) vetting process at a specified clearance level.

Further information can be provided in the [Australian Government Security Clearance Applicant Guide Book](#). Please ensure that you read this information thoroughly and confirm that you meet the minimum requirements to be eligible to hold a security clearance at the required level. Please ensure that you are able to provide the necessary documents if you apply for the position. The security clearance level required for this position can be found on the front page of this Information Pack.

More information on the security clearance vetting process is available on the [AGSVA website](#).
