Chatbot *vs* AI assistant

They're not the same thing.

SWIPE ►

● THE OLD WAY

**A basic chatbot
follows rigid menus
— and sends people
in circles.**

● THE NEW WAY

**An AI assistant
understands the
question and replies
like a human.**

● IT QUALIFIES

**It captures the lead
and asks the right
questions —
automatically.**

● IT BOOKS THE APPOINTMENT

Hi! Do you have anything Saturday morning?

Yes — 10:30am is free. Want me to lock it in?

Yes please!

Booked — while you were with a customer.

● AND IT NEVER CLOCKS OFF

24/7

Across every channel — Instagram,
Facebook, your website.
